

HCL FOUNDATION

CSR arm of HCL Technologies Ltd.

VISION & MISSION

VISION

To be the source code for sustainable socio-economic & environmental development.

MISSION

Nurture clean, green and healthy communities where everyone is empowered and equipped to reach their full potential in full engagement with our employees and partners, showcasing and establishing international standards of planning, implementation, monitoring and evaluation in community development.

Guided by our [CSR Policy](#), we invest in the people, planet, prosperity and peace agenda to meet the SDGs & National Missions, thus contributing to the nation building agenda.

PEOPLE

3.7 million+
lives impacted

Female

Male

7,000+ PwDs reached since
FY 19-20
(43% female)

PLANET

66,000+
acres of land
greened and brought under
community management

105 water bodies
rejuvenated

30,600+ animals
treated and protected

Driven by a commitment of creating socio-economically self-reliant villages, HCL Samuday & HCL Grant, work in engagement with the local communities to seed sustainable transformative models and solutions and create a source code for rural transformation.

Developing source code of Sustainable, Scalable and Replicable model of Rural Development

- **Agriculture**
- **Education**
- **Livelihoods**
- **Health**
- **Water, Sanitation & Hygiene (WASH)**
- **Environment**

- Impacting 2.1 M+ people across 284 GPs in UP
- Starting out in Tamil Nadu.

HCL Grant aims to achieve sustainable rural development by supporting NGOs doing path-breaking work across India in the thematic categories of Environment, Education and Health.

INR 16.5 Crore (US\$ 2.2 Million) committed annually

- INR 5 Crore (~US\$0.67 Million) to one recipient NGO in each category
- INR 25 Lac (~US\$0.04 Million) to remaining 6 finalists

HEALTH

ENVIRONMENT

EDUCATION

With a bold vision to create a future in which cities embrace their most vulnerable citizens, and services converge to offer a life of dignity and self-respect, HCL Foundation is creating a source code for urban socio-economic and environmental development, through its urban flagship programs.

HCL Uday seeks to break the cycle of urban poverty through an integrated community development approach.

Reaching out to 560,000+ people

Defined by 3 C's, HCL Uday is:

Comprehensive:

Addressing all themes using Integrated Inclusive Community Development Approach (IICDA)

Continuous:

Life-cycle approach addressing all stages

Collaborative:

Convergence model brings together communities, non-profits, local and district governments and HCL employees

The Contours

- Implemented in HCL's immediate neighbourhood 11 Cities
- Not trickle down; built from the Ground-Up! Responsive to the Community needs
- Partnership Approach Strengthen State Systems No Parallel Systems
- Intervention Intensity determined by size of HCL Business. HCL Employee Strength

Clean NOIDA is HCL's commitment to transform NOIDA into one of the cleanest cities in the world.

Reaching out to 90,000+ HHs

Objective:

Creating awareness about proper waste management practices

Evolving structured, technology-driven systems and practices for efficient management of waste in the city.

- Implemented in HCL's Home – NOIDA
- Improved NOIDA's position in Gol's nation-wide cleanliness ranking (Swachh Survekshan) from 150th in 2019 to 25th in 2020
- Currently ranked No.1 in Uttar Pradesh

HCL HARIT: THE GREEN INITIATIVE

A Distinct Flagship Programme
for Environment Action

Conserve . Restore . Enhance

Vision:

To conserve, restore and enhance indigenous environmental systems and respond to climate change in a sustainable manner through community engagement

80 water bodies rejuvenated

531,882 saplings planted
