

Opportunities for M.Sc. students

Dissertation Internships

HCLFoundation delivers the corporate social responsibility agenda of HCLTech in India through its flagship programmes and special initiatives. As a not-for-profit organization, it strives to contribute towards national and international development goals, bringing about positive impact in the lives of people through long-term sustainable programmes. 'Harit by HCLFoundation is distinct flagship programme for environmental action. Harit is a multi-year, ongoing programme, addressing environment, operational in 9 States of India, with multiple long-mid-short-term projects under its ambit. Under this, HCLFoundation is committed to conserving the environment and the indigenous flora and fauna; the primary objective is to conserve, restore, and enhance local ecosystems and respond to climate change sustainably through community engagement.

**We are inviting post-graduate students
for dissertation Internships.**

Post-graduate students in their second year / last semester, studying Botany, Zoology, Environment Science, Forestry, and wildlife science are eligible to apply. Applications will be closed by October 15th, 2023, please apply before the deadline. The Dissertation Internship is for 6 months from November 2023 to April 2024. Selection will be based on a combination of interviews and the study topic defense with the concerned person at HCLFoundation. A certificate will be awarded to each student on completing a successful Dissertation internship and submitting his or her Report.

Selected candidates have to work on the assigned field sites for a minimum period of 13 weeks and a maximum period of 17 weeks during the internship. Overlaps of topics/objectives are not permitted.

Basis the HCL Foundation's internal policy remuneration to the selected students will be provided.

Master's Dissertations

HCLFoundation offers a unique opportunity to pursue postgraduate dissertation work for completion of a Master's degree, as required by several Universities. Interested candidates need to submit the application writing their research interest not more than two pages along with a CV and a Letter from HOD/university by October 31st, 2023 to ravikumar.sharma@hcl.com. This will be evaluated by the concerned person at HCLFoundation for its merit and if accepted, the candidate will be invited to work at the Harit by HCLFoundation sites. Group dissertations are not entertained. A copy of the Dissertation Thesis will be submitted to ravikumar.sharma@hcl.com HCLFoundation.
